submitted to Delhi Urban Art Commission. The Master Plan includes expansion of housing facilities, expanded hostel facilities, new institutional buildings like Pay Wards, extended OPD, Digestion Centre, Renal Centre, Dental College, Captive Power Plan etc., extensive parking arrangements, boring of new tube wells, covering of nallah etc. The Project is expected to cost Rs. 1300 crores and is planned to be implemented phase-wise as part of vision 2025. The project has not been considered by the Government yet. Its implementation will depend on due clearances and availability of funds. The facilities of AIIMS are extensively used by poor and middle class people and as such upgradation in facilities as and when it takes place would benefit the poor and middle class.
